

A cross-sectional view of a semiconductor device. A substrate 5 is shown with a curved surface 6gh. A layer 7 is on the left, and a layer 8 is on top. A structure 9 is on the right, with a layer 12 on top. A layer 13 is on the right, and a layer 14 is on top. A layer 11 is on the bottom right. Arrows A and B indicate directions.
